# <u>Division of Subdivisions for Email Communications</u>:

All Directors need to decide amongst themselves who will take care of each section, by street to minimize constituents. This will allow for stronger communication between the Board and the community.

# **Grounds and Maintenance Report**

Repairing the sign will cost the community approximately \$1,400.00 The Gazebo has a basement with the pump for the irrigation system. This pump is broken. This basement needs to be locked as well as the power box.

There are two (2) spotlight are broken which need to repaired.

A motion was made by Pat Barber for the New Contract & Bids Committee to obtain bids for the repair of these items.

Gerri Thomas seconded the motion Parnella Baul called for a vote The motion was unanimously carried

A motion was placed by Dan McVey to allow up to \$5.99 for a *Master Lock* to be obtained for use for the locking of the Gazebo Basement

Pat Barber seconded the motion Parnella Baul called for a vote The motion was unanimously carried

The Grounds and Maintenance Chair and the owner of Forever Green walked through the community and reported that 30 trees need to be replaced. These are no longer under warranty as they were planted during the community conception. The approximate cost of replacement is \$5000.00.

The sand on the street, from the snow removal, should be swept.

There are benches and signs are being held by Bill Batchelor, a former board member. Pete from Blenheim is willing to store these items for the community.

Mosquito Control Section of the State said they will be out in the next two (2) weeks.

The ponds are an ongoing issue. DENREC will allow grant money to help pay for maintenance on the ponds.

Pat Barber will look into this for the Board.

The next meeting was set for August 12, 2003, 7pm at Olive B. Loss Elementary School. The meeting was adjourned at 9:11pm.

#### **Old Business:**

### Community Signs:

- "Deed restricted community" signs are now under all section signs except the main entrance sign
- "No fishing" sign now at all ponds
- "Playground for use of Brennan Estate residents only" is now at all playgrounds, tennis court and basketball court.

### Lights for front entrance:

- Spent \$400 to fix all lights at front of community. They are broken again
- In process of getting proposal for lights that cannot be damaged with a guard on front. They are very expensive
- Also have graffiti on fence by basketball court.
- If you see vandalism Stop it. This is your community.

# Grounds and landscaping

- Altra Landscaping has been contracted for the next two years for all landscaping and maintenance.
- Approx \$60,000 to landscape and maintain all 100 acres. This is approx \$15,000 savings

## Snow removal

In the process of signing contract with Altra for snow removal.

- Following things are being addressed and need to be changed in contract before it will be signed:
  - 1. Sidewalks on Belina and Brennan Blvd need to be included in contract
  - 2. Altra will be responsible for any damage that occurs during snow removal

## Other old business

- Meadows playground mulch just redone. Next will be Southwoods then Woodlands. This will be done on a yearly basis
- Benches are now installed at Southwoods. The other two playgrounds will have benches soon.

### **New Business:**

Treasury/Finance Committee Report: Not available

Voting on Snow Removal: Not available

Nomination of representatives for the Meadows: Not available

# **Explanation of Deed Restrictions:** Glenn

- Snow removal last year very expensive approx. \$60,000
- There are a number of homes that did not pay. Several things can be done with the extreme being putting a lean on the property.
- Assessments went out in July 2003 should have gone out in February 2003. The 2004 assessments will go out in February 2004.
- Deed restriction requests: first forward to Toni Wilhite and her committee. If they are not sure, it comes back to the board. If the board is not sure, then it goes to the lawyer.

#### **Sheds:**

Sheds that were approved with previous board should not have been approved. Ballots will go out and if we do not get one back from you, we will knock on your door. If you have an approval and have not put your shed up, please do not put up yet. We are asking as a community to honor the current boards request until we get this worked out.

### **Eva Grier:**

Explained the information she brought with her

#### **Shingles:**

Glenn read letter from Blenheim explaining that they will replace free of charge the shingles that blew off in the wind as a good will gesture.

# **Open for Questions:**

The following questions/ issues were discussed:

- 1. Status of trash cans at the basketball/tennis courts and playground. Glenn responded: Charles Baul has ordered trashcans with small whole on top. IDS will empty on weekly basis at no charge.
- 2. Roof / shingle issue. Is there any more recourse we have with Blenheim? County inspector responded: the county is meeting with Blenheim tomorrow (12/2) and the county will address the issue after the meeting.
- 3. Any restrictions to running a home business out of home? Glenn took name and phone # and will follow up with her.
- 4. Basement leaks. What are my options? County inspector responded to contact the builder, then warranty company and file a complaint with county inspectors.
- 5. 2 street signs blown down. Lights out on Brennan Blvd, graffiti issue.
- 6. Narrow turn lane at entrance off of 896. Eva recommended contacting Deldot and State Representative.
- 7. Speed in neighborhood. Can we put in speed bumps or 4 way stop signs?
- 8. Sheds
- 9. What are restrictions for screened in porches. Dan replied that deed restrictions do not specify. Any structural changes need to be brought in front of the board.
- 10. Fallen trees. Who is responsible to remove once the trees have fallen? Glenn took her name and phone # and will get back to her.
- 11. Shed
- 12. Town homes vs. single family needs to be addressed separately on shed issue
- 13. Parking in Woodlands on the streets. The streets are very narrow and people need to use the designated parking spaces
- 14. Sheds
